Week	Date	Events
8	11 September	Matt Hewitt - Great Potentials
9	16 September	Community Meeting - so what should the learning look like?
	20 September	Elections - Polling booth in the Hall

Dear Parents;

Thank You For Coming!

The Community Meeting held at school on Wednesday to develop a shared vision of what we want for our students was a great success. Parents, teachers, students and community members discussed their ideas and posted their thoughts in a way that encourages us to think about a holistic approach to delivering the learning. From here the BOT will meet to collate the information and draft statements that capture our intent in terms of what we want our students to carry with them when they leave our school gates.

The next meeting will be held on Tuesday 16 September and will follow on from this weeks meeting to answer the question; 'if this is what our shared vision is for our students, then what should the learning look like for them?'.

For those parents who were unable to make the meeting there is a form attached to this newsletter we would like you to fill in and send back with your child so that your voice is captured. An online version is also available on our School Website www.taipa.school.nz or Facebook Page.

What do you think of ERO's parent booklets?

The Education Review Office (ERO) publishes a series of five booklets for parents and caregivers.

We want to find out how useful the information is to parents, how the booklets can be improved, and if parents would prefer to receive the information in a different way.

We're starting with a survey of *How is my child doing?* To take part in the survey go to www.ero.govt.nz – Featured Publications. The survey runs until the end of September and only takes a few minutes to complete.

Meanwhile if you would like a copy of one of the booklets email info@ero.govt.nz

English Department.

It would be good if all parents of Senior students were allowing time for their akonga to read at home so that they can gain Credits for NCEA for their Personal Responses. All Year 11 and 12 students can earn 4 Credits if they do this. Juniors in Years 9 and 10 also should be reading frequently so that they can raise their reading and understanding. There will be an exam for Years 9 and 10 at the end of Term Four which will require them to answer questions about their Personal reading. Students can choose the books they read from the school Library or from the extensive range in the English Department.

Dates to remember:

Thursday 4 September	Primary/Intermediate buckets up evening
Wednesday 17th 11:30am	Duffy role model assembly - Alistair McIntyre
Tuesday September 23rd	Far North speech competition - REAP
Wednesday September 24th	Final Reading Together Workshop 4pm school library
